CIRCULAR

Subject: Mandatory Capturing of Government Receipt Number (GRN) for All Government Receipts and Integration of Revenue Collection Services with JKGRAS and TreasuryNet Portals under JKIFMS.

The Government of Jammu & Kashmir is implementing an end-to-end digital revenue receipt ecosystem under the JK Integrated Financial Management System (JKIFMS), with settlement and accounting of Government receipts through the e-Kuber 2.0 platform of the Reserve Bank of India. In this regard, the Finance Department has undertaken integration of Government receipt channels with JKGRAS and TreasuryNet portals to ensure seamless electronic accounting of Government receipts, with a unique Government Receipt Number (GRN) generated for every transaction.

The Government Receipt Number (GRN) shall serve as the unique digital identifier for every Government receipt and shall constitute the single source of reference for payment confirmation, accounting, reconciliation, audit, refund, wherever applicable, and all subsequent financial processes, including the luggage file transmitted by the Agency Bank to the Reserve Bank of India & vice versa.

In this context, it is reiterated that all Revenue-earning Departments are required to ensure integration of their services with the prescribed digital receipt platforms, as under:

1. **Integration with JKGRAS:** Departments collecting Government receipts through the prescribed Government receipt mechanism shall integrate their respective services with the JKGRAS Portal to facilitate electronic collection of receipts with generation of a unique GRN for each transaction.
2. **Integration with TreasuryNet:** Departments having their own departmental portals equipped with payment gateway facilities shall ensure integration of such portals with the TreasuryNet application of JKIFMS, so that every online payment transaction automatically generates and captures the corresponding GRN.
3. **Integration of Left-out Services:** All Departments shall undertake an immediate review of the revenue-generating services under their administrative control and identify any services which are yet to be onboarded/integrated with JKGRAS or TreasuryNet, as applicable. Such left-out services shall be integrated with the respective portal immediately, without any further delay, to ensure comprehensive coverage of all Government receipts under the GRN-based digital framework.

Accordingly, all Administrative Secretaries, Directors Finance and Financial Advisors/Chief Accounts Officers (FA/CAOs) are hereby enjoined upon to ensure that every Government receipt, irrespective of the mode of collection, is invariably tagged with a valid and unique GRN; all revenue-generating services under their respective administrative control are integrated with JKGRAS or TreasuryNet, as applicable; no Government receipt is accounted for or processed outside the prescribed GRN-based digital receipt framework; and, in exceptional cases involving authorised contingency or offline collection arrangements, the transaction is brought into the digital system and assigned a GRN within the prescribed timeframe, with appropriate supporting records and reconciliation.
